Jazz in the Park Treme Crab Festival and Jazz in the Park Concert series is made possible to our generous sponsors such as: Budweiser, Morris Bart, Old School 106.7, Sheraton, Carver & Darden, HRI and State Farm. Budweiser and Attorney Morris Bart presents Jazz in the Park Treme Crab Festival & Jazz in the Park Thursday Concert Series. Morris Bart is our newest sponsor and his partnership brings Jazz in the Park to another level. Emanuel Lain who is the executive producer of Jazz in the Park says "Morris is a true New Orleanian-born and raised- he went to Alice C. Fortier High School and got his law degree from Loyola University- In my opinion you don't get more local than Morris who is one of New Orleans favorite sons who loves New Orleans culture- just being affiliated with Morris has already produced results- we got more sponsors such as Old School 106.7, and we now have international acts headlining our Crab Fest- without Morris this never happens."

Our Crab Festival will start Thursday March 30th, 2017, with a free concert featuring Davell Crawford & Spodie and the Big Shots. Our Friday March 31st show will feature two international Jazz artists- Michael Franks and Roy Ayers. Tickets to see Michael Franks & Roy Ayers are on Eventbrite. Both of our Saturday & Sunday shows are free.

Our Crab Fest & regular Thursday detailed lineups will be unveiled in the near future.
